“#projectOne” Launched by AviciiOne to Crowdfund Fan-Made Avicii Tribute Song

Submissions for Chord Samples to Begin November 16

[HESSE, GERMANY, NOVEMBER 2] — Today, AviciiOne is launching “#projectOne”, inviting Avicii fans worldwide to contribute to the internet’s largest fan-made Avicii tribute project.

Every 2 weeks, participants are encouraged to create and upload samples on the AviciiOne website (<https://avicii.one>). Once samples have been uploaded, the producing staff, including **FrankzRoom** and other producers, will curate uploaded samples to produce the tribute track utilizing each of the various components. The venture will run through February 22, 2020, with the finished single dropping on March 29, 2020.

Starting on November 16 15:00 GMT, participants will have 2 weeks to upload chord samples via the AviciiOne website. There, participants can also be updated with the progress of the production process.

*AviciiOne is a non-profit fan website dedicated to celebrate Avicii’s life and music.
